The Chesapeake Chapter of NAVHDA welcomes new members and their dogs. The Chapter provides training sessions monthly from March through September where members assist each other in training their hunting dogs. We are fortunate to have several experienced dog trainers in the Chapter, and they are very willing to help you learn how to train your dog. We will have our first NAVHDA test in the spring of 2016. Training sessions and most tests will be held at 9609 Kings Highway, Montross VA 22520. The Chapter has organizational meetings in February and June that are open to all members. Many of our members are avid hunters and enjoy getting together to pursue their favorite wild game!

NEW MEMBERS: We would like to find out a little more information about the specific needs of our Chapter members. Please tell us about your dog(s); your hunting experiences with or without dogs; and your training/testing goals for the upcoming training year. What do you desire to achieve as a member of the Chesapeake Chapter of NAVHDA? Also feel free to provide us with any other information, suggestions, concerns, feedback, etc. that you think may help the Chapter.

RETURNING MEMBERS: Please tell us about your training/testing goals for the upcoming year. Also feel free to provide us with any other information, suggestions, concerns, feedback, etc. that you think may help the Chapter.
